B2B NETWORKING RECEPTION

After receiving overwhelming feedback from manufacturers on the need to accommodate for a larger capacity at the B2B Networking Reception, NOCOM is excited to announce that the B2B has been moved to April 11th from 4PM-6PM at the Embassy Suites across the street from The Ranch Events Complex and the Kick-Off Breakfast has been canceled. Betsy Markey, Executive Director of the Colorado Office of Economic Development and International Trade (ODEIT), has graciously offered to speak about the initiatives of Governor Jared Polis's cabinet and ODEIT. With Colorado industry growing and Larimer and Weld counties growing twice as fast as the rest of the state we look forward to hearing about talent pipeline, workforce, supply chain, transportation and more.

Join us for an opportunity to connect and develop new business relationships in a relaxed and fun environment with more manufacturers and more partners. An event ticket will include beer, wine, hors d'oeuvres and prize drawings. The grand prize is a two-night Winter Park Luxury Condo and Mountain Getaway valued at \$700, sponsored by H2 Manufacturing Solutions. Thank you to our event sponsors H2 Manufacturing Solutions and Manufacturer's Edge for making this event possible and our drink sponsor Longmont Economic Partnership.
