NoCo Manufacturing Partnership Announces In Person Show and Major Sponsors for 2021 NOCOM Trade Show

Loveland, Colorado, Wednesday, June 16, 2021 — [Northern Colorado Manufacturing Partnership \(NoCO\)](#) has announced an in person trade show with all returning major sponsors for its NOCOM 2021 manufacturing trade show September 23, 2021: [Aerotek](#), [FirstBank](#), [Flood and Peterson](#), [Plante Moran](#) and [Precision Machined Products](#). The event showcases Northern Colorado's expanding manufacturing sector, connecting suppliers, manufacturers, capital, and services.

NOCOM is the largest in person manufacturing trade show in Colorado and attracts manufacturers and their supply chain from across Colorado and beyond. The show will be following state and local COVID safety guidelines as a top priority. Exhibitor booths are limited, and manufacturers are encouraged to purchase their booth soon.

"We know how important it is for our membership to have an in-person show this year and are committed to making it happen" **said Sylvia Robinson, Tolmar and Northern Colorado Manufacturing Partnership, Board Chair**. "With the support of our 4 original, major sponsors (Aerotek, FirstBank, Flood and Peterson, Plante Moran) and the Colorado Workforce Development Council (CWDC), we expect NOCOM 2021 to play a huge role in the recovery of our region."

"NOCOM is the premier tradeshow for manufacturers in Northern Colorado. Our involvement with the event provides us the opportunities to meet the manufacturing leaders of today and tomorrow, while providing you learning opportunities and the chance to showcase your products" **said Chris Otto, Managing Partner of the Plante Moran Fort Collins office**. "Our team of manufacturing experts in audit, tax, and business consulting are excited to be involved and to share our knowledge in the upcoming NOCOM Lunch and Learn series in August."

"The NOCOM trade show provides an opportunity for local businesses to pool knowledge and resources for the betterment of the entire industry and Northern Colorado business community," **said James Wedding, Vice President – Northern Colorado FirstBank**. "FirstBank is proud to partner with NOCOM and other business leaders to encourage the growth of this event and recognize the significant impact it has on our community and those participants involved."

About [Northern Colorado Manufacturing Partnership](#)

The NoCo Manufacturing Partnership was formed in 2013 as a result of Governor Hickenlooper's state Economic Development plan called the Colorado Blue Print. The Blue Print identified 11 key sectors of the economy in Colorado by region. Northern Colorado's two main sectors identified were Health and Wellness and Advanced Manufacturing. Regions within the state were encouraged to form sector partnerships to provide more localized grass roots support to augment state efforts in each sector. These would be industry specific, led by business, in partnership with economic development, education and workforce development. A collaboration arose as part of the Blue Print process involving people from each of these affiliations and the NoCo Manufacturing Partnership was born. It continues to be an all-volunteer, business led, FREE membership organization designed to support Northern Colorado manufacturers. It is served by a Board of Directors, representing each affiliation from private business to local government, as well as two active committees: Networking and Manufacturing Talent/Rocks!
