Event Flyer: <https://nocomfg.com/nocom-2021-flyer-final/>

NOCOM is the largest in person manufacturing trade show in Colorado and attracts manufacturers and their supply chain from across Colorado and beyond. The Ranch Events Complex has lifted all capacity restrictions for events allowing NOCOM to expand the event to full capacity. Exhibitor booths now include both 10X10 and 10X20 sized booths with opportunity to secure an end of aisle location with Prime Location purchase.

The trade show theme “**Manufacturing STRONGER Than Ever: Connect, Collaborate, and Celebrate**” reflects the focus of the show for 2021. Attendees will meet with qualified decision makers in the manufacturing industry, visit over 70 exhibitors, network with top companies in Colorado, attend Speaker Hall panels and lectures, learn best practices, and enjoy a kick-off B2B networking celebration.

About [Northern Colorado Manufacturing Partnership](#)

The NoCo Manufacturing Partnership was formed in 2013 as a result of Governor Hickenlooper's state Economic Development plan called the Colorado Blue Print. The Blue Print identified 11 key sectors of the economy in Colorado by region. Northern Colorado's two main sectors identified were Health and Wellness and Advanced Manufacturing. Regions within the state were encouraged to form sector partnerships to provide more localized grass roots support to augment state efforts in each sector. These would be industry specific, led by business, in partnership with economic development, education and workforce development. A collaboration arose as part of the Blue Print process involving people from each of these affiliations and the NoCo Manufacturing Partnership was born. It continues to be an all-volunteer, business led, FREE membership organization designed to support Northern Colorado manufacturers. It is served by a Board of Directors, representing each affiliation from private business to local government, as well as two active committees: Networking and Manufacturing Talent/Rocks!
